UPCOMING MEETINGS re 2019 FÊTE

All meetings start at 7.30pm in the Social Club:

14th November 2018

9th January 2019

13th March

10th April

8th May

12th June

Please do come along and help make the Fête a community event to be proud of. A little of your time could be invaluable; there are jobs as small as putting out cones or putting up posters, to big jobs like coordinating bookings. There's something to suit all levels of expertise and time. Please help bring the community spirit back to Bar Hill!

— NEIGHBOURHOOD WATCH —

THE ROYAL BRITISH LEGION, — BAR HILL BRANCH —

The Royal British Legion Bar Hill Branch meets on the 4th Thursday of each month in The Community Room at Tesco at 7.30pm.

We are a small friendly group of like-minded people.

To join you don't have to have an Armed Forces background, just share a common cause of supporting our Service community, now and for the rest of their lives.

The Royal British Legion Poppy Appeal collection will take place from Monday 29th October to Saturday 10th November from 9am–5pm daily. We are looking for volunteers to help man the collection point in Tesco. If you could spare an hour please contact Maggie Cox, Poppy Appeal coordinator, on 01954 488657.

The Royal British Legion, Bar Hill Church and the uniformed organisations will be holding a Remembrance Service on Sunday 11th November in the Church. This year's service will be celebrating the end of World War 1. All are welcome to attend.

If you are interested in coming along, please contact Wendy Arrowsmith, Branch Secretary, on 01954 781381 or Malcolm Cox, Chairman, on 01954 488657.

— RESIDENTS' ASSOCIATION —

Interested persons are always welcome at Residents' Association meetings.

NOVEMBER ONLY the meeting will be held at 7pm the Parish Council office.

Next meeting: 6th November.

BAR HILL NEWS:

Editor:	Jan Cundy		jan_cundy@yahoo.com
Advertising Coordinator:	Bunty Waters	01954 201421	

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list. To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com [a Word file is best, please] or hard copy via Parish Council Office.

— LETTER —

Dear Editor

What a refreshing change to have two positive letters in last month's BHN. It was great to read the success of the BHSSC 40th Anniversary Celebrations and BH Taekwondo Club.

Makes a change from reading about Dog Mess, Dodgy Car Parking, and the A14 upgrade works?

Look forward to reading more success stories from Bar Hill in the future.

Best wishes

Bill Proudfoot, Watermead

NEW!

RHYMETIME and STORYTIME

Our new programme of events for young children at the village Library began this autumn. Bring your little one to Rhymetime or Storytime to enjoy time with them while they develop their speaking and listening skills.

Sessions are free and there is no need to book; just come along and find out what your local library has to offer you.

Rhymetime is for 0–3-year-olds and is held on Tuesdays, from 2.15 to 2.45 p.m. Join your baby or toddler in singing rhymes, and meet other parents and carers.

Storytime is for 3–6-year-olds. It is held on the second Saturday of the month from 11 to 11.30 a.m. Bring your child to enjoy listening to stories, sing and join in a craft or colouring activity.

Dates for November

Rhymetime: Tuesday 6, 13, 20 and 27 November, from 2.15 to 2.45 p.m.

Storytime: Saturday 10 November, from 11 to 11.30 a.m.

— BAR HILL PARISH COUNCIL —

Sue Bell, Parish Clerk: 01954 780456

e-mail: clerk@barhillpc.org.uk

Please note that the office is normally open to residents between 10am and 12noon, Monday to Wednesday.

Our website is at: www.barhillpc.org.uk

Firstly, a huge thank you to all the volunteers, Tesco and Parish Councillors who gave their time on Saturday 29th September to support and join in the Litterpick. The weather was kind and a great amount of rubbish was collected up and bagged from various areas all around the village. This helps to make a difference to the village – making it a cleaner place for everyone to enjoy.

Residents are reminded that flytipping is an offence for which there are hefty fines. Please do not leave your waste, including garden waste on parish council land.

Please could all residents check the other side of their boundary fence and clear away any vegetation and self-sets encroaching/overhanging the footways, especially now the darker evenings are here. This includes keeping your trees and shrubs cut back for pedestrians and mowers. Low vegetation and discarded rubbish etc could be a trip hazard.

The Parish Council has engaged a Ranger service, and work has commenced at Acorn Avenue, Foxhollow, Gladeside, Oatlands and The Spinney, Appletrees. The Brambles and Brookdale will be done next. This is mainly path clearing work and trimming of shrubs. Heavier tree works will be completed by tree contractors later in the season.

Any concerns about footpaths and road surfaces, including the perimeter road, please contact Cambridgeshire County Council on <https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults/>.

For streetlight outages please report urgently to [Balfour Beatty street light fault reporting form](mailto:Balfour.Beatty@cambridgeshire.gov.uk) or call 0800 7838247.

Please contact the Police: <http://tinyurl.com/SouthCams> -Parking to report parking issues. Unfortunately, the Parish Council has no powers of enforcement in respect of illegal and inconsiderate parking on the highway.

Next Environment and Amenities Committee: Wednesday 7 November. Full Council Meeting: Thursday 15 November.

AN UPDATE FROM

— FEN DRAYTON LAKES —

What has been happening?

It is now autumn and the breeding season has finished for the year. This means we can carry out habitat management works around the reserve to maintain and improve areas for the breeding and resident species next year. These jobs will keep us busy until the spring, as we work to ensure that the reserve provides an ideal habitat for target species. The first of these jobs that we have undertaken is the removal of willow trees from Holywell reedbed. These trees grow and spread quickly, and if left, will take over a reedbed and dry it out to eventually become woodland. As reedbed is one of our most valuable habitats for species such as bittern and marsh harrier. We have spent a lot of time cutting the willow back from the edges where it encroaches in, and treating the stumps to prevent regrowth.

The other job key job that we have begun is the clearing of vegetation from the islands on Ferry Lagoon and Moore Lake. These islands are very important for our breeding terns, gulls, and other wetland species that nest on bare ground. So it is important to keep them clear of the vegetation that has a habit of taking over.

Wildlife

The autumn passage of migrating birds is coming to an end, but interesting species could still turn up at any time so it is always worth keeping an eye out when walking around the reserve. Wintering species are arriving with the tell-tale whistling call of wigeon being heard on the reserve, so it is only a matter of time before other species arrive too. Fen Drayton Lakes is currently a great place to come and view herons with five different species on site. Numbers of grey heron and little egret are building up as they gather into wintering groups. They have been joined by four great white egrets on Moore Lake. A group of six cattle egret have been moving around between cattle herds on Ferry Mere and Middle Fen on site, and the neighbouring Mare Fen. Bittern are also around with individuals being spotted in various locations around the reserve.

Help beat back to school bugs!

No sooner do the kids start a new term than they pick up some lurg or other.

Coughs and colds, upset tummies, sickness bugs and headlice are among some of the main culprits. All of which can be treated at home with basic medicine available from your local pharmacy – no GP appointment or prescription required!

Simple steps such as stocking up on self-care essentials can help you treat minor illnesses at home.

- pain relief (paracetamol and ibuprofen)
- cough and cold remedies
- upset stomach treatment
- heartburn and indigestion treatment
- first aid kit.

Save yourself time, and save the NHS money, see your pharmacist.

Children can get between 8–10 colds a year, and a cough can last three weeks before it starts to improve. Most minor childhood illnesses don't need a GP appointment.

Stay stronger for longer!

We all want to continue to share our lives with loved ones as we get older, such as playing with grandchildren and socializing with friends. Simple strength and balance exercises twice a week are a proven to keep you stronger for longer, independent and enjoying the great things in life, whether by joining a class or doing it yourself at home.

Extended Access Routine Appointments

Willingham and Longstanton Surgeries are participating in a new scheme so we can offer more routine appointments outside of the surgery core hours. We are now able to offer patients appointments in the evening and at weekends at the Ely hub which is based at St Mary's Surgery in Ely.

Appointments Must be booked in advance with our receptionists, and are intended for routine matters only.

You will be treated by the duty doctor at St Mary's in Ely. You will need to consent to us sharing your medical records with the Ely Hub in order to take advantage of this service. Appointments are subject to availability.

Flu Vaccinations

We have now received our flu vaccinations. Please call and book your appointment. The vaccination is recommended (and free!) to all patients over the age of 65, pregnant women, and those who have long term medical condition regardless of age. If you are unsure please ask.

Carers Support Meetings Our next meetings at Willingham Surgery are on Wednesdays: 7th November and 5th December.

Cambridgeshire Hearing Clinics The next Hearing Aid Clinics at Willingham Surgery are on Wednesdays:

21st November and 19th December. No appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

A&E is not an alternative to a GP appointment. If we are closed, please call 111, who will give advice and direct you to the most suitable local service.

CAMBRIDGE PINKS – BREAST CANCER NOW REGIONAL GROUP

We are looking forward to meeting some of you on Sunday 4th November when we will be walking the tow path from Milton to Waterbeach, if you would like to join in email Avril at the email address below. We hope to see lots of pink outfits on our third walk to support Breast Cancer Now.

If you would like to get involved in fundraising for Breast Cancer Now then please do get in touch.

If you would like to find out more about Breast Cancer Now and how your donations will be used then visit our website www.breastcancernow.org.

Breast Cancer Now's mission is to fund innovative world class research into Breast Cancer. Here in Cambridge Breast Cancer Now is funding researchers who are learning about the genetics of breast cancer and finding new genes involved in breast cancer.

— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.

Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more...

These sessions are not only for Childminders but also for any children aged 0–5 years and their parents/carers to attend – so come along and join us!

Government Funding for 3 and 4 year olds (15–30 hours per week) – 'Universal' and 'Extended'.

Some of our Childminders are now registered to offer Government Funded places for children aged 3 & 4 years old (+ qualifying 2 year olds). The Funded hours each week can be shared between a Childminder and your child's Pre-school and/or Nursery. Below is a list of our Childminders – those who offer Government Funding have a letter 'F' before their name:

— WILDLIFE TRUST —

Huntingdonshire Local Group

The Wild World of Birds: Understanding Intelligence and Behaviour

We invite you to a presentation on the behaviour of birds on **Wednesday 14th November at 7.30pm.**

Our speaker will be Dr. Gabrielle Davidson who is a comparative psychologist and behavioural ecologist who has studied birds, particularly corvids and great tits, to try to understand their level of intelligence and associated behaviours, demonstrated by the use of observation to aid foraging opportunities and nesting location, and also the use of tools.

Christmas Miscellany

This year's Seasonal Miscellany will be held on **Wednesday 12th December at 7.30pm.**

This regular Christmas event will include a celebration of more than 30 years of our Local Group, a fun quiz, plus wine and mince pies. Our guest will be Kevin Hennessy, (Trust Director for Business Development and Engagement). Kevin has come to the Trust from a background of commerce, having managed a packaging company, so a complete change of direction for him!

We aim to have an enjoyable evening and anyone who is interested is most welcome to attend.

Both of these events will be at **Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB.** The entrance charge is £2.50 (accompanied children free). Booking is not necessary.

For more information please contact Tim on 01480 457795.

BAR HILL FOXES – THE SEASON SO FAR

It has been a mixed season in the league for the Bar Hill Foxes so far with some great individual and team performances contributing to two league wins and some under par performances seeing to two losses. The first league game against Waterbeach was truly a game of two halves. 4-0 down at half time, but losing 5-2. That second half performance was carried over to the away game at Whittlesford which was a well-deserved 3-1 win. A less deserved result was the 5-2 loss away to St Ives. St Ives were clinical, but not 3 goals better than Bar Hill.

The best result by far was the most recent game, a 2-1 win away to Waterbeach. A great team performance with everyone contributing something to the win. Keep that up and it will be a good season.

CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

FIREWORKS and bonfire night can be plenty of fun for all of the family to enjoy and going to an organised firework display instead of holding one at home can be a great way of supporting your local community.

If you do plan on using fireworks or lighting a bonfire at your own home however, please ensure you consider our safety advice below:

Fireworks:

- Only buy fireworks marked BS 7114
- Light fireworks at arm's length using a taper, stand well back and never go back to a lit firework
- Never throw fireworks or put them in your pockets or clothing
- Light sparklers one at a time wearing gloves, and place used sparklers in a bucket of water
- Never give sparklers to children under five
- It is illegal to sell fireworks to someone under the age of 18 or to light fireworks in a public place
- For more information on Firework Safety, visit: www.hse.gov.uk

Bonfires:

- Do not light bonfires in unsuitable weather conditions, particularly when windy
- Do not leave bonfires unattended
- Keep a bucket of water or a hosepipe handy just in case
- Build bonfires well clear of buildings, garden sheds, fences and hedges
- Never use flammable liquids to start the fire
- Never burn dangerous rubbish such as aerosols, paint, foam furniture, rubber tyres, batteries, etc
- Before you light the bonfire, check that children and animals are not hiding inside and are a safe distance away
- Always consider the location of a bonfire or firework display, smoke drifting near or on to roads can have devastating consequences.

Follow us on Facebook, Twitter and Instagram. To find out if you are eligible for a free home fire safety check, call 0800 917 9994.

For more information log on to www.cambsfire.gov.uk, follow us on social media or call 01480 444500.

— VILLAGE HALL —
01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment. Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines e.g. children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

Whilst we have been enjoying the summer weather County Council Highways Officers have been working to prepare for winter. A new risk based code of practice was published in October 2016 and implemented from April 2018 and all the Council's winter road maintenance policies have been reviewed to reflect this new guidance. To meet its statutory obligations with regard to winter road conditions the Council has a range of vehicles from JCBs to quad bikes as well as a specialist vehicle for the guided busway.

Preparations have included ordering new gritters in time for November delivery whilst vehicles in the existing fleet are returned to the factory where they are completely stripped down and then rebuilt. All the vehicles are fitted with tracking devices and front, rear and side cameras which are capable of capturing 10 minutes before and after any incident in which a vehicle is involved. The County Council's vehicles are set to restrict speed to 35mph or less. The price of salt is much lower in the summer months and by ordering its supplies at that time the Council has saved about £17,000. When spread, salt is generally considered to be effective for about 24 hours although it can be longer-lasting depending on the severity of the weather conditions. Road conditions are monitored remotely through local weather stations. The Council also has cross boundary agreements with eight neighbouring counties and is working continually to improve communications within this group and with the general public; those of you who use social media may remember the hashtag GritterTwitter from last winter. Of course in a high growth area like Cambridgeshire, the challenge to maintain roads increases as new roads are built. The Ely bypass is due to open on 31 October 2018; the phased handing over of the old A14 as parts of it become a local road and the ever increasing cycleway infrastructure are just some of the challenges that will be faced in the near future.

The Greater Cambridge Partnership [GCP] held a workshop in September for members of both its Board and Assembly to discuss the work programme for the year ahead. The first gateway review which is required to assure government that the initial tranche of £100m has been well spent will happen in 2019. Government assurance in this respect is a box that has to be ticked before the second tranche of £200m is released. There is no doubt that South Cambridgeshire needs this investment in roads.

Thank you to all of you who have been in touch. This month some of you have raised concerns about the procurement of services for the Maple Surgery. I am due to meet with representatives of the Clinical Commissioning Group and Healthwatch in the very near future and will be seeking a resolution to those concerns.

2018 Play Unified campaign

Special Olympics GB Anniversary Games 2018
Stirling, Scotland

As a Support Worker for adults with learning disabilities I followed with interest the Special Olympics at Sheffield in 2017. I shared YouTube videos with the customers at the Day Centre where I work. When the invitation to apply for the 40th Anniversary Games in Stirling popped up on the facebook feed, I applied immediately.

Thank you Special Olympics GB Anniversary Games 2018 for inviting me to participate as a volunteer at Stirling, Scotland.

In May 2018 I found out that I was going to be a volunteer at the games. I worked out the cheapest way to travel and arranged my flight to Glasgow. Chatting on the Facebook page with other volunteers I found a new friend who would be driving near Glasgow to make a diversion to collect me. We also agreed to stay at the same hotel off the Stirling University campus. A very hospitable B&B in the quaint village of Doune (7 miles from Stirling) which boasts its own castle, distillery and nearby safari park.

Day 1

A gloriously sunny morning. Tea and porridge for breakfast at the B&B.

Induction training to explain the history of the Special Olympics from their set up in 1968 by President J F Kennedy's sister Eunice Kennedy Shriver to the foundation of Special Olympics GB in 1978. The Anniversary Games had 1500 athletes, coaches and officials from the GB regions, Europe and Asia. 150 clubs were represented from 7 Scottish regions, 9 English regions, Wales, Isle of Man, Ireland, Germany, Denmark, Belgium and Macau.

We were all educated in the definition of an intellectual disability being the significant reduced ability to understand new or complex information and/or learn new skills, or to cope independently. Having a lasting effect on development. Rules of thumb for meeting an athlete is to focus on the ability, treat them according to their age, ask questions and be ourselves.

The events at the games were:

Boccia (seated bowls with soft woods and jack. Played as singles, doubles and teams of 3 players)

Badminton Table Tennis

Football sevens Swimming

Athletics Cycling

Netball Golf

Indoor Bowls

Motor Activities Training Programme, for profoundly disabled athletes to gain confidence and develop new skills

There was a Healthy Athletes Programme delegation where athletes were offered free health screenings and information. Fit Feet podiatry examination; Healthy Hearing audiology tests; FUN Fitness physiotherapy session; Special Smiles dentistry instruction.

More to follow as space permits. Ed

HEIDI ALLEN, MP

Parliament is back, and although the next few months will inevitably be dominated by Brexit, I continue to work on many other issues.

I've had a number of emails from residents wanting to know more about the Oxford to Cambridge railway project, crucially asking where the route will be. A meeting I hosted with the East West Rail company last month reassured me that no decision has yet been taken, though route options are anticipated towards the end of the year. I have been clear, that in line with the National Infrastructure Commission's view, I support a route that is aligned with the A428 corridor which would provide much needed transport connections for Cambourne, its surrounding developments and Northstowe. I do not agree with a route that cuts through the south of the constituency, not least because this part of South Cambs is already well served by the Kings Cross line. I will let you know as soon as I have any updates.

I was in Duxford for the air show, and although the weather was less than kind, the displays were spine tingling as always. This year's event particularly poignant as we celebrated 100 years of the RAF. Thank you to all the staff and volunteers who made the day so memorable.

At the beginning of my newsletter, I mentioned Brexit. Whatever your views, I think we all know the next few months will be critical. Your emails haven't stopped since the referendum result in 2016 and you may be aware that such was their volume, I held two public meetings to respond to constituents' concerns. As negotiations reach their climax, I have decided to hold further public meetings in order to hear your views and answer questions. Pre-registration will be required to manage numbers attending, so please look out for further details on my website: <https://www.heidisouthcambs.co.uk/>

If there is anything you would like to talk to me about more generally, my next "by appointment" surgery will be on Friday 2nd November 3-5pm in Bassingbourn. If you would like an appointment, please call my office. My next "drop in" surgery (no appointment necessary) will be on Saturday 1st December 10.30-12.30pm in Sawston at the Parish Council office, Links Road, CB22 3GB. You can find more details on my website: <https://www.heidisouthcambs.co.uk/residents-drop-surgeries> In the meantime, if you would like to contact me, please email heidi.allen.mp@parliament.uk or call my office on 01223 830037.

See you next month!

Bins

Assisted collections are designed for residents who, due to disability or physical impairment, are unable to place their bins at their collection point and where nobody else in the household can assist them.

Collections can be made from a more convenient place on the property (e.g. by the front door).

Complete an application form for an assisted collection service or alternatively please call 03450 450 063, or email: env.health@scams.gov.uk to request a printed form.

Queries, complaints etc., please go to contact refuse@scams.gov.uk or call 03450 450063.

Local Plan

I am pleased to say that the Local Plan has finally been adopted. Despite the plan being opposed by the Liberal Democrats in opposition, I am pleased that the new administration has voted through the Local Plan which delivers 22,000 jobs and 19,500 homes in South Cambridgeshire. I have always been supportive of the Local Plan. It is sometimes easy to forget that local authorities responsible for delivering houses and planning have targets set by the Government nationally and if local authorities such as SCDC do not deliver on these targets and provide the Government nationally with evidence via a Local Plan, the national Government would step in and take over the delivery process (effectively SCDC would lose its planning control).

Some villages locally have suffered from speculative applications due to the fact that we have not had a Local Plan or 5 year land supply. So that from now going forward up until 2031 the planning team will be using our Local Plan to judge where developments are acceptable or not giving our district a huge amount of protection in planning terms. The largescale developments that will take place within the District are as follows:

- A new town north of Waterbeach – approximately 8,000-9,000 homes.
- A new village at Bourn Airfield – approximately 3,500 homes.
- An expansion to Cambourne to the west – planning permission has already been granted for 2,350 homes.
- Homes on land north of Cherry Hinton and west of Teversham – 1,200 homes (420 in South Cambridgeshire. The remaining homes are in Cambridge City).
- Around 900 homes in the better served South Cambridgeshire villages.
- Continue to develop Northstowe – around 10,000 homes.
- Continue to build homes in existing growth sites on the edge of Cambridge (Southern Fringe, Cambridge East, Darwin Green and Eddington).

In Summary, I believe the adoption of this Local Plan to be a huge step forward for our district and is about so much more than just providing homes. It is about making sure we have the right facilities, excellent transport links and build communities where people want to live.

Proposed changes to green bin collections

The new administration is proposing that residents that have more than one green bin would be charged £35 a

year to have the additional bin emptied. In the past this service has been done free of charge for residents in South Cambridgeshire to promote recycling and prevent people from putting green waste in the black bin. I wanted to make residents and parish councillors aware of this proposal so that I can bring forward concerns that you may or may not have. I have just got one green bin which I find sufficient for all my garden waste. and have always found that I have had enough space or if I have undergone a big project I have taken the waste to Milton Recycling Centre. Currently there are around 3,000 properties with additional green bins across SCDC meaning that if the charge was in place, the council would get an additional income stream of £35 x 3,000 i.e. £105,000 per year. The final decision will be made by Cabinet on the 7th November 2018 but this will come before the Scrutiny committee on the 18th October 2018 so if you have any comments please get in touch with me prior to that date.

Councillors' pay

A report by the Independent Remuneration Panel looking at Councillors' allowances had recommended that Councillors allowances should rise by 9% and the Leader of the Council should have a 27% increase. Under the Conservative led administration and in all the years that I have been a Councillor, the Conservative group has always said that it is right that we should only take an increase that is comparable to that of the staff that SCDC employ (due to public sector pay restraints, this has been around 1%). I was pleased to see this report voted down by the Council.

Please contact me on 01954 201421 or 07734 690580 or just email: bunty.waters@ntlworld.com, if I can help in any way, or collect a recycling Caddy for you.

GRAFFITI IN BAR HILL

Recent episodes on Parish Council property, fences and shops in The Mall were reported to the Police who are gathering information and CCTV. These are criminal offences and the Council will proceed with prosecution if the Police can get sufficient evidence. It costs over £400 per bus shelter to have it cleaned up and painted with anti-graffiti paint which is residents' money that could be spent on better things.

The public are asked to remain vigilant and report anything suspicious immediately to the Police on 101 and let the Council know. Some of these visits are made in the very early hours of the morning, and the Police have increased presence in the village. Our thanks to volunteers who have helped clean up, including the Tesco Community team who kindly came to deal with the graffiti on the office wall.
